

## Cancellation Policy

The nature of our practice is to give our patients the utmost in care and service. Failure to attend appointments creates considerable delay in the provision of care for yourself, and blocks access to care for other patients in need.

In order to encourage appropriate use of our services a cancellation policy is in effect. If you fail to cancel an appointment with at least **TWENTY FOUR HOUR NOTICE** you will be subject to a **\$50.00 fee**. The second time you fail to cancel without a **TWENTY FOUR HOUR NOTICE** you will be required to make a **\$50.00 deposit** upon rescheduling. The third time an appointment is missed a **50% deposit** of the proposed treatment will be required upon rescheduling and applied toward your treatment.
